The Honourable Marco Mendicino
Minister of Public Safety
House of Commons
Ottawa, Ontario, Canada
K1A 0A6

Dear Minister Mendicino,

I am writing to you as a concerned Canadian and an Ottawa resident whose city is under attack by violent individuals who have occupied our streets. I have reached out to my local, provincial and federal representatives and I am sad to say no concrete action has been taken to end the siege.

Mayor Watson and Ottawa Police Chief Peter Sloly have informed residents that they will not take steps to end the ongoing violence, assaults and threats taking place every day in our community. As a community we are not safe, we are not able to leave our homes and those we look to, to protect our safety, have abandoned us. It is appalling to see the actions of this violent occupation supported by our Mayor and local officials – in clear violation of the *Police Services Act*.

As such I am writing to you as a last resort and out of desperation to please use the resources available to you to end the occupation and protect the safety of residents. There are too many attacks and threats taking place every day that are going unreported or unactioned because our local law enforcement has chosen to publicly support these instigators. Every day that these violent individuals occupy our city is another day that small businesses, clinics, schools and residents are unsafe to go about their lives.

As Minister responsible for Public Safety in Canada we are asking you to please do the right thing and protect the community before more people are hurt. Please take action to remove the threats facing Ottawa residents.

Thank you for your swift attention to this matter.

Sincerely,
Personal Info.
